

Valuation Challenges Arising From COVID-19

Dear Member,

Greetings from the Swiss Indian Chamber of Commerce!

We cordially invite you to our next Webinar to be organised in collaboration with **Crowe Advisory Services (India) LLP** on Thursday, May 28, 2020 at 4 p.m.

The topic is “**Valuation challenges arising from COVID-19**”.

COVID-19 has caused severe impact on business, which impact may take several months, or even a couple of years, to resolve. This impact has a material bearing on valuations of business, investments, goodwill, intangibles etc. Valuation needs arise from multiple aspects including debt security, impairment recognition and other such matters; these are not restricted to purchase or sale transaction situations.

Mr. Vijay Thacker, Partner and CEO of Crowe Advisory Services (India) LLP will discuss:

- Background of valuation needs and principles
- The direct issues from COVID-19
- Approach to COVID-19 impact
- Regulatory compliance on valuations, amidst COVID-19
- Q & A

The session will seek to provide participants a guide path for dealing with the needs and challenges on Valuation issues facing their companies and businesses, arising from COVID-19.
