Hon. Finance Minister is set to announce the Union Budget 2023 on February 1, 2023. Over the past years, the Government has taken several measures to keep India on its roadmap of growth and strengthening its economy. The Government has also been working on making India an attractive destination for investments.

The post pandemic year has seen a revival in the Economy. There are expectations that the Government is likely to continue to provide momentum to the Economy by announcing strong policy measures and reforms in the upcoming Budget.

Join our Panel of experts as they will decode Union Budget 2022–23, highlight its implications, summarize the key themes, and make a deep-dive analysis into tax insights and other policy announcements, and their possible impact.
